# Two private retreats, one countryside hideaway near Atzaro

Set among the pine-scented hills of San Lorenzo, Can Alivia occupies a quietly privileged position in Ibiza's rural heartland — close enough to Atzaro's legendary gardens to feel their influence, far enough from the coast to breathe.
The property unfolds as two self-contained two-bedroom suites, each with its own en-suite bathrooms and a thoughtfully composed terrace where a cascading waterfall feature sets a gentle, unhurried rhythm.
Outdoor dining areas and deep chill-out sofas invite long evenings under the stars, while the interiors strike a careful balance between earthy warmth and considered design.
The beaches of Cala Nova and Cala Llenya lie just minutes away, and Santa Eulalia's restaurants and boutiques are an easy drive. On Sundays, the San Joan hippy market draws the curious from across the island. Here, two couples or a family can share a property without surrendering their own pace, their own space, their own Ibiza.
