Renovated finca in a tranquil Santa Gertrudis

Finca Can Daphne belongs to the absolute top segment fincas of Ibiza. This more than 250-year-old 5 bedroom family finca plus separate guest house and old tower was completely renovated during 2018 and 2019. With a nod to the famous Blackstad fincas, in combination with its own character, it has become a real gem.

Can Daphne is offering an amazing dazzling stay with all new bedrooms, new bathrooms, new kitchens, new floors, new terraces, new salt-electrolysis pool (5x10 meters) (10% salt content), a new chill-out ´corner´ with a fully equipped outdoor kitchen, a yoga deck, kids playground with trampoline and table tennis, child-safety terraces around the pool, a games room with pool table and so on.

Also, you will find the latest technical gadgets in the field of sound and the internet. There is also a laundry room for you as a guest and you will find air conditioning in the majority of rooms. There are idyllic views, looking out over the beautiful valleys with a large variety of fruit trees, various large terraces with different dining areas, and various chill-out zones.

The main house accommodates 8 people, the nearby guesthouse with the tower provides room for two more.
From the garden, you walk into the main house. There is a beautiful fully equipped open kitchen. The living room is very cozy. Next to the living room, there is another lounge where you'll find a pool table. On the ground floor, there are 2 bedrooms. One of the bedrooms has en-suite bathroom with a shower. The other bathroom, also with shower, which belongs to the second bedroom is adjacent to the living room and also functions as a guest toilet.

The first floor can be reached via the amazing spiral staircase. Here is the master bedroom. On the private terrace of the master bedroom you will find a bath and shower. Adjacent to the hall is another bathroom with a bath and shower, this belongs also to the master bedroom. The other bedroom that is located here has an en-suite bathroom with a shower.

The guest house is situated in the tower. It has a sitting area and a small open kitchen, the washing mashing machine can also be found here.

Can Daphne is located 20 minutes drive from the airport in the heart of the island just 4 minutes from the beautiful and increasingly in-demand art village of Santa Gertrudis. The Finca can be found at the end of a winding camino, meaning there is no passing traffic and 100% privacy and peace are guaranteed. Within only 10 minutes you can be in Ibiza town or at one of the popular beaches and beach clubs.
