A whitewashed finca where countryside silence with sea views

Can Elsa is a charming and traditional Ibicencan 5-bedroom villa, ideally located just moments from the stunning bays of Cala Bassa and Cala Conta, both renowned for their crystal-clear waters and breathtaking sunset views. Only a short drive away from the quaint and picturesque village of San Agustin, this exquisite property is set on a generous plot of land, surrounded by sweeping green countryside, offering guests the ultimate blend of privacy and natural beauty.

The interiors of Can Elsa elegantly maintain the iconic 'Ibicenco' style, featuring traditional elements such as floor-to-ceiling stone masoned walls and wooden beamed ceilings that infuse the villa with authentic charm. These classic details are artfully complemented by striking bright white finishes and modern decor, creating a perfect balance between rustic tradition and contemporary luxury. The open-plan design offers an inviting and spacious lounge area with a large, comfortable sofa, providing a cozy spot for relaxation. A choice of dining areas makes it easy to enjoy both formal meals and more casual dining experiences. The stylish, fully equipped modern kitchen is a culinary dream, featuring a breakfast bar and all the latest appliances, ensuring a seamless experience for both seasoned chefs and those who prefer to enjoy leisurely meals. Contemporary lighting, artwork, and stylish furniture throughout the villa contribute to the sophisticated atmosphere, blending traditional design with modern touches.

Each of the five bedrooms is spacious and thoughtfully designed, maintaining the villa’s seamless theme of contemporary elegance. The bedrooms are all beautifully decorated, with a clean and modern aesthetic that flows naturally from the rest of the villa. Each bedroom has its own en-suite bathroom, ensuring privacy and convenience for all guests. The Master bedroom is located on the upper grounds of the property and features its own private entrance, as well as a large terrace where you can enjoy stunning views of the surrounding countryside and coastline. Bedroom 2 also has its own private entrance, a comfortable double bed, and an en-suite bathroom, offering an additional level of privacy. Bedrooms 3, 4, and 5 are located within the main finca and are equally spacious and beautifully designed, each with an en-suite bathroom, and one bedroom having a WC just over the hall for added convenience.

The exterior of Can Elsa is centered around a delightful pool area, which is surrounded by high-quality decking, sun loungers, and parasols, making it the perfect spot for soaking up the Ibizan sun. The pool area is complemented by several dining spaces, ranging from formal seating to more relaxed, bohemian-style outdoor dining. Whether you prefer a laid-back meal in the shade or a more elegant evening under the stars, there is an ideal setting for every occasion. Two luxurious chill-out areas are also available for guests to unwind in comfort. One of these areas offers a shaded space with a view of the pool, while the other is a sun-drenched roof terrace, providing panoramic views of the stunning surroundings.
With its blend of traditional charm and modern sophistication, Can Elsa is a perfect retreat for those seeking a luxurious escape in one of Ibiza’s most desirable locations.
