Sunset views, cool stone, and Cala Conta at your door

Set within the exclusive enclave of Cala Conta 33, Villa Can Elyza is a contemporary five-bedroom sanctuary with uninterrupted views of Ibiza's legendary sunsets and the turquoise waters of Cala Conta, one of the island's most celebrated beaches. Freshly redecorated throughout in 2026, the villa pairs minimalist elegance with every modern comfort, creating an exceptional retreat for the most discerning guests.

Inside, handcrafted stone, rich marble, warm wood and bespoke ironwork create a serene, refined atmosphere. Light pours into the expansive open-plan living space, where the lounge, formal dining area and kitchen flow effortlessly together. The kitchen was completely renovated in 2026 and now features premium appliances, custom cabinetry and a sleek central island with bar seating, perfect for relaxed family breakfasts or an evening with a private chef.

All five bedrooms are en-suite, each styled in soft neutral tones and natural textures. The master suite is a haven of indulgence, with a king-size bed, bespoke wardrobe, private safe and a spa-inspired bathroom with double vanity, rain shower and freestanding bathtub, opening onto a private terrace with sweeping sea views. Two further king suites and two twin bedrooms, which can be converted to king beds, offer elegant designer bathrooms and direct access to terraces or gardens.

Outdoors, beautifully landscaped grounds lead to a heated infinity pool surrounded by a sun deck with premium loungers and shaded cabanas. A pergola with a built-in barbecue invites long al fresco lunches, while an ambient-lit lounge area sets the scene for sunset cocktails and starlit evenings. Mature gardens filled with native planting ensure complete privacy.

Guests also enjoy exclusive use of the Cala Conta 33 community spa and fitness centre throughout their stay. The island's most beautiful beaches and the lively village of San José are just moments away, yet the true highlight is right on your terrace: every evening, the sun sinks into the Mediterranean in a blaze of colour, turning each night at Villa Can Elyza into an unforgettable occasion.
