An exceptional property in a family friendly location

Can Luna is a luxurious and charming 5 bedroom villa with exceptional seaviews located just a few metres from the nearest beach. Close by is the elegant Nikki Beach club and the area of S'Argamassa with its seafront bars and restaurants. The vibrant town of Santa Eulalia is just a short drive away, with its abundance of dining destinations, shops and amenities, making this a desirable location for families.

The interior decor has a fluid theme of a contemporary minimalist approach artfully combined with authentic Mediterranean decor throughout the open-plan lounge area and modern kitchen, which is of course fully equipped with all modern appliances. There are 5 beautifully furnished double bedrooms all with en-suite bathrooms, ample wardrobe space and air conditioning. Each bedroom has its own individual charm, with bright colourful artwork complementing the neutral tones of the decor. Head upstairs and enjoy the delights of the sun-drenched roof terrace with expansive and tranquil sea views.

The property is a modern architectural build with a traditional Ibizan style, predominantly white exterior walls with beautiful planes of stone masonry works. The grounds are spacious and inviting, the perfect place to spend a lazy luxurious Ibizan afternoon, with a unique L-shape swimming pool with an expansive terrace and sunbathing area complete with several sun loungers. You can entertain friends and family at your leisure in the outdoor dining and entertaining space with a purpose built BBQ. Can Luna is an exceptional frontline property in a family friendly location.
