A 16th-Century Finca, Private Cala Salada Access, Zero Compromise

From its lofty perch in the quiet pine-clad hills near San Antonio, Savasana holiday villa enjoys spectacular sea views and grand Ibiza sunsets. The 50 000 m2 grounds surrounding the villa provide countless vantage points for reflection, and include a pool, multiple relaxing and outdoor dining areas and both a Mediterranean and vegetable garden - all enjoyed in the perfect privacy of the neighbourless plot.

The villa itself is unique - a 500 year old finca restored in high quality, with modern comforts but a decidedly rustic, homely and creative style which includes Balinese fittings, tiles, unusual artworks and artefacts and beautiful wooden beams.

With 5 double bedrooms - 3 of which en suite making a total of 4 bathrooms - there is space enough for up to 10 people in either groups or families. For the safety of children the very large pool can be fenced on request. This villa is also ideal for weddings, with the top floor master bedroom including a 100 m² private terrace with the best sea views on the whole plot.

Savasana is not far from the action, but its secluded location make a car essential. The nearest beach is the beautiful Cala Salada, only a 5 minute drive, whilst San Antonio and its shops, clubs and famous sunset strip cafes are only 10 minutes.
