Newly renovated property in Can Furnet

Can Sip, a fully renovated, high-end villa set in the heart of Can Furnet, one of Ibiza's most exclusive and secure gated communities. From its elevated position, the property enjoys uninterrupted panoramic views over the shimmering Mediterranean Sea, the UNESCO-listed Dalt Vila, and as far as the island of Formentera. This is Ibiza living at its most refined.

Nestled in the tranquil hills of Can Furnet, you are just minutes from the vibrant energy of Ibiza Town, the glamour of Marina Botafoch, and the golden sands of Talamanca Beach. The gated community offers 24-hour security, ensuring total peace of mind while keeping you close to the island's best dining, nightlife, and shopping.

The villa features five beautifully appointed bedrooms, each a private sanctuary with its own character and style. Designed with comfort and elegance in mind, every bedroom offers direct access to either a private terrace or the landscaped gardens, allowing guests to enjoy the island's natural beauty from the moment they wake. The five luxurious bathrooms are finished to spa-like standards, with high-end fixtures, rain showers, and premium stone finishes, offering the perfect retreat after a day in the sun.

Inside, the home is finished to the highest standards, combining sleek modern architecture with organic textures, natural wood, and warm, earthy tones. Floor-to-ceiling glass walls flood the interiors with natural light and frame the sweeping sea views. The open-plan living spaces flow effortlessly onto expansive terraces, blurring the line between indoors and outdoors.

A fully equipped private gym makes it easy to stay active, while the villa's exterior spaces are designed for both relaxation and celebration. The infinity-edge swimming pool reflects the endless blue of the sky, surrounded by shaded lounge areas perfect for lazy afternoons. A panoramic jacuzzi deck offers front-row seats to Ibiza's legendary sunsets, while a dedicated yoga area invites moments of peace and mindfulness. Manicured Mediterranean gardens envelop the villa, providing beauty and privacy in equal measure.

Whether hosting unforgettable evenings under the stars or enjoying quiet mornings with coffee and sea breezes, Can Sip offers the ideal setting. Here, design, privacy, and luxury exist in perfect harmony, creating a home that embodies the very best of the island.
