Whitewashed walls, harbour views, and golden-hour skies over Cap Martinet

Cap Martinet sits on Ibiza's quieter eastern flank, where the island exhales. Here, just minutes from the shore and within easy reach of the harbour, Cana Safari channels the unhurried elegance of traditional Ibizan architecture — thick whitewashed walls, warm contemporary interiors, and a deep connection to the landscape around it.

The outdoor space is the heart of the house: a generous pool catches the afternoon light while multiple lounge areas invite long, languid afternoons. Come evening, the western sky ignites, and the terrace becomes the best seat on the island. Twin BBQs — gas and charcoal — mean dinner is never rushed, and a Sonos system carries music from room to terrace without effort. Inside, four well-considered bedrooms offer genuine comfort after days spent between sea and sun.

Picture yourself here on a warm July evening, glass in hand, watching the harbour lights flicker to life below.
