Beautiful country villa located between Ibiza and San Antonio

Welcome to Casa Muca: a large completely secluded private estate located in a peaceful surrounding in Benimussa hills. This oasis of serenity is the perfect choice for discreet individuals who are looking for privacy and a safe luxury accommodation. Dive into the pool and enjoy quality family time , dine outdoors at sunset or enjoy a starlight massage in the perfect seclusion.

The sleeping area comprises five hotel-style double bedrooms, with walk-in cabinets and bathrooms where you can enjoy relaxing moments in spacious showers or comfortable bathtubs. Each room is provided with amenities, air conditioning, a safe box, an alarm system and a hair dryer, soft duvet, a hypoallergenic mattress, soft towels, and a big window or balcony. In the bedrooms, crisp white bedding is paired with waterhead wood for a restful, organic vibe.

From the indoor sitting area you can take in the dreamlike panoramas of the calm Mediterranean sky and mountains. Concrete walls, tiles floors, and wide sliding glass doors create an atmosphere that's contemporary but not cold. The sitting area's soft beige sectionals are minimalist yet inviting, and the dining area can seat up to 10 guests.

Casa Muca lies perched on top of a hill in the silent vivid green mountain landscape within the borders of Ibiza's nature. Here senses are heightened by its unspoiled surroundings and its lush Mediterranean garden. Decorated and furnished in Balinese style the villa combines chic with rustic style very well. With more than 5000 m2 of gorgeous private gardens this is really a great place for outdoor living. Here you will enjoy life in the open air thanks to its multiple furnished outdoor spaces and the pool with 22 meters ideal for laps.
