# A herb-scented finca where Can Furnet meets Ibiza Town's pulse

Set on the sun-warmed hillside of Can Furnet, Finca Lucia sits just five minutes from the cobbled lanes and candlelit terraces of Ibiza Town — close enough to feel the energy, far enough to exhale.

The property is a true Ibizan finca: thick whitewashed walls, terracotta underfoot, and a garden where rosemary, lavender and wild herbs scent the afternoon air. Six generous bedrooms and four bathrooms make it a natural gathering place for families or a close group of friends, while two separate salons offer room to spread out after long, sunlit days. The kitchen is built for proper cooking — think late breakfasts that stretch toward lunch, and slow evenings around the barbecue as the island cools. The pool catches the last of the evening light.

Picture yourself there: a glass in hand, the distant glow of Dalt Vila on the horizon, nowhere else to be.
