"This spectacular luxury villa is the epitome of privacy and seclusion"

Infinity Blue 1 is a one-of-a-kind mansion that you can find in Mykonos. Perched in an elevated location between the beaches of Super Paradise and Agrari this stunner was built by Architect Edward Tuttle the founding designer behind the Aman brand, all in a all in a position that grants panoramic views stretching across the southern coast of Mykonos and the neighboring islands.

The magnificent villa rental boasts impressive outdoor and indoor areas. The main outdoor area of the property is at the aptly named “play house” unit that serves as a central gathering area for the guests to celebrate and have fun and relax. A big pergola extends to the side of the building, covering the ever-stylish lounge area and outdoor dining table equipped with a BBQ, Play table tennis or table soccer. A few steps down the pool terrace hosts a magnificent heated lap pool and a few steps away from it the built-in heated Jacuzzi tub.

The very same play house owes its name also to the indoor spaces where a lounge area, the central farmhouse kitchen of the property and the indoor dining area find space. The real treat of the unit though is the home cinema with its 4m wide screen, surround system and a preinstalled collection of 700 movies that can also be tapped into from the flat screen TVs present in each suite. Enjoy comfort and style in one of 5 beautifully appointed large double bedrooms, each one with its ensuite bathroom and one adjoining sea view ensuite single room.

The master suite is completely independent counting 120 square meters divided in living space, bedroom and en-suite bathroom while the remaining suites are part of a more traditional structure and all appointed to the same standard. The attention to detail and quality of the materials used throughout the property set a benchmark hardly matched on the island.

only 800 meters away from one of the island's most dazzling beaches, the unique luxury villa is the ideal option for those craving for luxurious moments in a natural beauty environment.
