A wonderful villa within an amazing setting and stunning views

Kalafatis 3 is a stylish 210sq.m. property that belongs to a complex of 3 gorgeous independent vacation homes. The beautiful residence is situated in a privileged environment of unique beauty and tranquility that provides guests with outstanding views of Kalafatis Bay. The stylish 4-bedroom residence can comfortably accommodate up to 8 guests across 2 levels. Taking inspiration from the landscape's dramatic contradictions, the structure is a handsome blend of ragged and refined. The dwelling's brilliant white exterior is partially covered in stone, making it seem like it has emerged out of its setting. Perpetually infatuated with the magnificent vistas of the Aegean Sea, the architect fitted the terrace with comfortable lounging and dining spots, an open-air kitchen and a gorgeous infinity pool, all oriented toward a seascape that keeps changing as the day goes by.

Under the traditional exterior are contemporary living areas meticulously designed to convey a sense of sophistication and relaxation at the same time. Minimal to a fault, the indoor spaces boast concrete floorings and a uniform white palette that is complemented by discrete details in black and blue. A few wooden and wicker details node to the house's natural surroundings. There is a deliberate lack of ornaments here that serves a dual purpose: to acknowledge the fact that the landscape is the only protagonist in this scene, and to inspire a sense of absolute tranquility without unnecessary distractions.

All around the house, windows and glass doors are used to connect the interior to the terraces and offer different views of the setting. The house comprises two levels; the ground level features a light-filled living room, a fully equipped kitchen with modern appliances, a bedroom with independent entrance and a bathroom, while the other three bedrooms and four bathrooms are located at the lower level.

Kalafatis 3 is the ideal option for each guest that is willing to be near to Mykonos must coveted beaches and at the same time close to the town of Mykonos which is a mere 10km away from the beautiful home.
The lovely property can be rented with its sisters Villa Kalafatis 1 and Kalafatis 2

According to the latest Greek Law Regulations, an extra climate change resilient fee of 15 € / villa / night that is not included in rental rate.
