Open skies, and the heart of Ibiza within reach

Set among the pine-covered hills of San Lorenzo, Villa Amaya occupies a generous private plot where the silence is broken only by birdsong and the distant shimmer of the countryside stretching toward Santa Eulalia. The architecture is clean and considered — sharp lines softened by warm natural materials — with interiors that feel both polished and genuinely liveable.
Six bedroom suites, all within the main house, are finished to a consistent standard with king-size beds, quality linens, and a calm, uncluttered aesthetic that encourages rest. Living spaces flow naturally toward the outside, where expansive terraces invite long, unhurried meals and the kind of afternoons that blur into evenings without anyone noticing. A fully equipped kitchen handles everything from a quiet breakfast to a full group dinner with ease.
The mountain views at dusk, all amber and violet, make it very hard to go inside.

SHORT STAY POLICY: Please take into consideration that for stays shorter than one week, when allowed, an increase in daily rates will be applied. Note that an empty calendar does not guarantee automatic availability for short stays. It will always be necessary to confirm with the property. PLEASE CHECK WITH YOUR AGENT TO CONFIRM FINAL PRICE AND AVAILABILITY.
