Villa Brielle is an exceptional and exclusive Ibizan retreat, ideally located close to some of the island’s most desirable sunset beaches on the stunning west coast of Ibiza. This supremely stylish 6-bedroom villa sits just a stone's throw away from the pristine white sands of Cala Tarida and Cala Moli, two of the most sought-after beaches in Ibiza, and is only a short drive from the charming village of San Jose. The villa is positioned to take full advantage of breathtaking panoramic views over the sparkling turquoise waters of the Mediterranean Sea and the lush, undulating countryside that defines this part of the island. Offering an unparalleled combination of privacy, luxury, and an enviable location, Villa Brielle is the ultimate destination for those looking to experience the best of Ibiza.

The light-filled interiors of the villa are a true masterpiece, blending modern luxuries and high-tech features with a calming, contemporary style. Designed with impeccable attention to detail, each room is beautifully appointed to create a harmonious environment where guests can unwind and relax. The airy, open-plan living areas flow effortlessly from one space to the next, creating a welcoming atmosphere throughout. The villa is designed to make the most of its stunning natural surroundings, with expansive windows allowing an abundance of natural light to flood the interiors and offering sweeping views of the surrounding landscape. The spacious living and dining areas are perfect for both intimate gatherings and larger groups, while a dedicated breakfast room provides a cozy spot to start the day. The modern, fully equipped kitchen is a chef’s dream, with state-of-the-art appliances and ample space for preparing gourmet meals.

The villa’s tranquil, neutral color palette extends seamlessly into the bedrooms, creating serene retreats for every guest. The main villa’s entrance level is home to the spacious and opulent Master bedroom, which is a true sanctuary. This expansive room boasts not one, but two en-suite bathrooms—one featuring a luxurious shower, the other with a relaxing bathtub—ensuring ultimate comfort and convenience. Adjacent to the Master bedroom is Bedroom 2, a charming twin room, with a sleek shower room just across the hall. Both rooms are flooded with natural light, offering guests a restful environment in which to relax and rejuvenate.

Descending to the lower level, you will find two additional spacious bedrooms—Bedrooms 3 and 4. These double rooms can be configured as either twin beds or double beds (each 90x2) to accommodate different preferences. Both rooms have their own en-suite bathrooms, which include a shower, sink area, and a shared toilet located just over the hall, providing a perfect setup for families or friends traveling together. These bedrooms offer a private and peaceful retreat, complete with ample space and natural light.

In addition to the main villa, Villa Brielle also features two separate annexes, each with its own private entrance. These annexes offer an extra layer of privacy and flexibility, making them ideal for guests seeking a bit more space and independence. Bedrooms 5 and 6 are both comfortable double rooms, which can also be arranged as twin rooms (2 x single beds, each 90x2), and each room comes with its own en-suite bathroom. These annexes provide the perfect escape for guests looking to enjoy a more secluded experience, while still being able to enjoy the luxurious amenities of the main house.

Set within vast, perfectly landscaped grounds, Villa Brielle is surrounded by an array of tropical plants, palm trees, and manicured lawns, creating a serene and private environment. The expansive outdoor spaces offer an abundance of options for relaxation, entertainment, and outdoor living. The highlight of the grounds is the stunning infinity pool, which seems to merge seamlessly with the horizon, offering panoramic views of the sparkling sea and the lush landscape. The villa’s outdoor spaces are designed to maximize comfort and enjoyment, with multiple terraces, shaded lounging areas, and soft-seated chill-out spots scattered throughout the garden. A beautiful sunset-facing al-fresco dining area provides the perfect setting for enjoying meals while taking in the world-renowned Ibizan sunset, one of the island's most iconic and spectacular sights.

Villa Brielle is perfectly positioned to enjoy the captivating beauty of Ibiza’s west coast sunsets. As the sun sets over the horizon, the sky is transformed into a vibrant canvas of colors, creating a magical atmosphere that must be seen to be believed. The villa’s prime location offers guests the unique opportunity to experience this breathtaking natural spectacle from the comfort of their own villa, whether they are lounging by the pool, dining al-fresco, or relaxing in one of the many cozy garden chill-out areas.

From its luxurious interiors to its expansive grounds and stunning views, Villa Brielle offers a truly luxurious setting for those seeking to unwind and indulge in the best of Ibiza. Whether you're spending the day by the pool, enjoying an evening sunset, or

simply relaxing in one of the villa’s many peaceful spaces, this exquisite property provides everything you need for an unforgettable holiday experience.
