This modern property is located in one of the most sought after areas of Ibiza

Villa Capo is a stunning 5 bedroom villa in the fabulous private location of Cap Martinet, one of the most prestigious neighbourhoods close to vibrant capital of Ibiza Town with its famous nightlife and gastronomic scene. This newly constructed modern home combines clean lines of white render and dark glass with design-led interiors and quirky, colourful detailing.

Inside, Villa Capo is spacious and bright with an abundance of natural light which combines sleek rendering with plush soft furnishing in jewel-toned colours. The five bedrooms are split over two floors, giving a feeling of extra space and privacy. The master suite enjoys floor-to-ceiling views through the large sliding doors which give access to a terrace and the pool. Two of the other double bedrooms are en-suite, while the fourth and fifth share a bathroom. All are privileged with beautiful views of the neighbouring gardens and the crystal clear turquoise waters that separate Ibiza from Formentera, its sister island.

The exterior is designed to maximize its space, with a private pool surrounded by oversized, luxurious daybeds and vast sundecks, framed by lush lawns and tropical plantations. Chill out on L-shaped shaded seating, and enjoy the generous wooden dining table which is ideal for entertaining. The sun worshippers amongst you can head up to the upper terrace for a wide bank of sun-drenched loungers. Villa Capo is a modern and welcoming home for all those willing to enjoy the proximity of Ibiza town, its port and all its attractions.
