Moroccan lanterns, pine hills, and the sea at Cala Salada

Villa Georgia is a beautiful newly renovated 6 bedroom villa with an boho-chic fusion of modern and Moroccan styling. This unique family-friendly home is surrounded by staggering views of green pine trees hills and the sparkling Mediterranean sea and sunset views over the renowned Cala Salada. Just a short drive away and guests will find themselves directly in the centre of San Antonio with its famous nightlife, sunset music bars and restaurants.

This property offers an open plan design throughout its living spaces with an artistic flair and light enhancing windows which offer a large fully equipped kitchen with a dining table, interior cosy corners and a living room - all with luxurious views. All bedrooms have en-suite bathrooms with the superb master bedroom comprising a unique feature steam-room. Each bedroom also has its own Bluetooth speaker. There are also 2 cots available at the property.

Whether you choose the option to dine inside or out, the exteriors offer a myriad of spaces to enjoy the outdoor lifestyle from the many sun terraces surrounding the pool with several seated areas, the comfortable sun loungers or the outdoor alfresco kitchen and small BBQ. If you like extracurricular activities or travelling with children then this holiday accommodation boasts of chill-out zones with table tennis and a garden trampoline. The rooftop terrace has astounding seaviews and can be an ideal yoga spot (there are 10 yoga mats available at the property).
