The perfect villa with amazing sea and sunset views

Villa Ivy is the ultimate 6 bedroom Mediterranean escape. This piece of paradise is most popular due to its prime location from where you can delight in the myriad of colours provided each night by the world famous Ibiza sunsets which can be enjoyed from the pool, all the exterior terraces and through the wide expanses of windows throughout the property itself. Cala Tarida is just a few minutes stroll away with its famed Cotton Beach Club restaurant and a short drive will bring you to the charming village of San Jose.

Inside Villa Ivy cool cottons and bleached wood create a contemporary coastal ambiance perfectly complemented by chic, contemporary furniture, artwork and lighting. Sleek stainless-steel fittings and units make for a remarkable professional kitchen and lead through to the open-plan dining space where you can enjoy a relaxed and sociable vibe. All bedrooms are complete with en-suite or joining bathrooms and all enjoy equally stunning vistas of either the sea and the aforementioned sunset, or the lush surrounding forest, with most having their own private terrace.

The sublime salt water pool is surrounded by ample wide luxurious day beds for sun lovers, or the choice of two four-poster beds situated directly under the shaded trees. Here you will also find a superb alfresco dining area and beautiful illuminated steps leading up to a sunset view enhancing roof-top terrace. Villa Ivy is quite simply the perfect Ibiza base in the sought after south-west area of the island.
