A perfect family home with great outdoor space

Villa Klara is an exceptional 6-bedroom villa that offers unparalleled views of both the sea and the serene countryside, located between the prestigious areas of Porroig and Es Cubells. This exclusive part of Ibiza's south coast, often referred to as the "Golden Mile," is renowned for its stunning coastline and luxurious properties, making this modern Ibizan retreat the perfect escape. The villa spans several acres of beautifully landscaped gardens, providing a sense of seclusion and tranquility.

Sophisticated and stylish, Villa Klara boasts immaculate, light-filled interiors that radiate a serene ambiance. The living areas are thoughtfully designed with neutral tones, chic yet comfortable furnishings, and tasteful artworks, creating a sophisticated and inviting atmosphere. Pale tiles, white walls, and pristine linens are complemented by pops of bright yellow, enhancing the villa's bright, airy feel. The bedrooms are equally elegant, offering a peaceful haven for relaxation, and the bathrooms are refined, featuring modern fixtures and luxurious touches.

The master bedroom, located in the main section of the villa, is a spacious retreat with an en-suite bathroom. It also includes a children's room with two single beds (arranged top and tail) and a bathroom. These rooms are perfect for families seeking comfort and privacy. The other four bedrooms—located on the lower level of the villa—are all double or twin rooms with en-suite bathrooms and independent entrances, offering added privacy and autonomy. These rooms have no direct access to the main villa, making them ideal for guests who prefer their own space.

The extensive grounds of Villa Klara are designed for both relaxation and entertainment, featuring a range of outdoor activities for all ages. Families will appreciate the oversized checkers set, table tennis table, petanca court, and trampoline, as well as a large play area with climbing frames, swings, and a wooden playhouse. The villa also has the added luxury of a fully equipped gym, ensuring guests have access to everything they need for a rejuvenating stay.

The outdoor spaces are nothing short of spectacular. A splendid swimming pool, separate jacuzzi, and a solar-heated children's pool provide ample options for relaxation and family fun. Surrounding these pools are stylish sun loungers, several terraces, and soft-seated chill-out areas, creating an inviting atmosphere for outdoor living. The Balinese gazebo offers a tranquil retreat, while the shaded al-fresco dining space is perfect for enjoying meals surrounded by nature. A summer kitchen and BBQ area ensure that guests can enjoy memorable outdoor meals together.

One of the most attractive features of Villa Klara is its spectacular terrace, which offers sweeping views of the surrounding landscape. This space is ideal for enjoying a starlit dinner with friends or simply relaxing while taking in the stunning scenery. With every detail carefully considered, Villa Klara offers a truly luxurious and versatile setting for a family holiday or a relaxing retreat with friends.
