Stylish Ibiza Escape with a tranquil atmosphere, perfect for meditation and yoga sessions

Villa Larish is a spacious and beautifully curated Mediterranean residence where Ibiza’s energy meets the warm, earthy spirit of Tulum. Every corner of the property reflects a refined sense of design, comfort, and natural textures, creating an atmosphere that immediately feels inviting. With capacity for up to 16 guests, the villa is ideal for families, retreat groups, or friends looking for a central and private hideaway without sacrificing style.

Design & Indoor Living

The interior of Villa Larish has been designed with great care. The villa features six uniquely decorated bedrooms, each with a generous wardrobe and air conditioning that can cool or heat, making the property perfect for stays throughout the year. The master bedroom includes a private ensuite bathroom, while three additional bathrooms serve the remaining rooms with elegance and convenience.
The top floor offers two extra bedrooms and a second relaxation space complete with a fireplace and direct access to a large terrace overlooking the surrounding nature.

On the ground floor, guests will find a welcoming living room filled with cosy seating corners, natural elements, and a stylish fireplace. A long dining table creates the perfect setting for shared meals, complemented by a fully equipped kitchen that also includes an additional dining area.
Next to the kitchen, a dedicated billiard room adds an entertaining social hub for late-night games and relaxed gatherings.

Outdoor Spaces & Pool

Villa Larish truly shines outdoors. The property features several terraces, each designed to capture the Mediterranean sun at different times of the day. The atmosphere is calm, lush, and laid-back, with tropical plants and Bali-inspired décor creating the perfect environment for slow mornings and sunset cocktails.

The main terrace includes a robust outdoor dining table, shaded lounge areas, and a BBQ station ideal for long summer dinners. The outdoor chill-out area, complete with a Bali bed, invites guests to disconnect and unwind.
The highlight of the exterior is the large swimming pool, surrounded by comfortable sun loungers and natural parasols. Whether for refreshing morning swims, sunny afternoons, or peaceful evening stargazing, the pool area delivers a true Ibiza experience.

Location & Convenience

Perfectly positioned in San Rafael, Villa Larish offers exceptional access to the island. It sits between iconic clubs like Amnesia and UNVRS, and is less than 15 minutes from both the west coast beaches (such as Cala Gració) and the southeast coastline (including Talamanca). Ibiza Town is only an 8-minute drive away, and the airport approximately 10 minutes.
The villa includes private parking inside the property and additional free parking on the street, making it practical and comfortable for groups renting multiple vehicles.
