Two centuries of finca soul, salt flats, and open sea

Set within 30,000 square metres of private grounds, Villa Margo is a magnificent six-bedroom estate where two centuries of history meet contemporary luxury. This lovingly restored 200-year-old farmhouse is arranged as two distinct yet harmoniously connected houses, with breathtaking views across the Mediterranean, the UNESCO-protected Ses Salinas Natural Park and the shores of Formentera. Secluded and serene, it is also just minutes from the airport and the island’s most coveted beaches, including Salinas and Es Cavallet.

The main house pairs rustic character with sleek, modern design. Sunlit living spaces are furnished with sumptuous lounging areas, a pool table and a stylish bar, while the bright, contemporary kitchen is perfect for anything from relaxed family meals to dinners prepared by a private chef. For truly unforgettable evenings, the estate boasts its own private nightclub, complete with a state-of-the-art sound system, DJ booth and dynamic lighting, available by prior arrangement.

The master suite occupies its own 300-square-metre casita, a private sanctuary with a grand round bed, a lavish en-suite bathroom, a dedicated massage room and a private terrace overlooking the infinity pool, with sweeping views of Formentera and the Salinas salt flats. Five further double bedrooms, three of them en-suite, are elegantly spread across both houses, offering every guest comfort and privacy.

Outdoors, the grounds unfold like a Mediterranean paradise. The infinity pool takes centre stage, surrounded by manicured lawns, fragrant gardens and sun-drenched terraces. Shaded pergolas set the scene for long al fresco lunches, tranquil corners invite quiet meditation, and the club lounge, with its oversized sofas, pool table and table football, is made for laid-back afternoons.

Spend your days on the golden sands of Es Cavallet, at the glamorous beach clubs of Salinas or exploring the natural beauty of Ses Salinas, then dance the night away in Ibiza Town or at home in your own club. Villa Margo is a rare and remarkable retreat, where history, nature and indulgence come together in perfect harmony.
