A timeless Greek sanctuary with amazing sea views

A stunning newly built private house with incredible sea and sunset views over the neighboring island of Delos. A 5-bedroom holiday home built for those seeking tranquillity and bliss. it celebrates its spectacular view from a grounded viewpoint blended into a sensitively landscaped, stone-walled garden that screens it from the road behind.

This courtyard becomes the focal point of the house, seamlessly connected to the living room and kitchen volumes and looking over the pool and gardens beyond.
Beneath the pool garden are the private bedrooms, separated for privacy and quietly enjoying the uninterrupted view over the lower garden to the sea. Their separation further reduces the overall impact of the house and cleanly divides social and private space. The luxury villa is a magnificent option for those wishing to enjoy Mykonos to its fullest, in one of the most secluded areas of the island, close to the cosmopolitan southern beaches, as well as the picturesque town of Mykonos.

Availability is upon request.
According to the latest Greek Law Regulations, an extra climate change resilient fee of 15 € / villa / night that is not included in rental rate.
