Effortless summer living in total comfort

Villa Palmyra is a stylish 6-bedroom home, ideal for families or groups of friends who want to enjoy both comfort and a great location. Set on the northwestern side of the island, it looks out over Mykonos Town and all the way to Delos, with open views that are hard to get tired of.
The villa sits in a clif, slightly tucked-away spot, giving a sense of privacy while still being within easy reach of the town and the popular southwestern beaches. The terrace stretches across the front of the house, leading to a free-form private pool and creating an easy flow between spaces. Outside, there's a relaxed lounge area gathered around a round table, as well as a shaded dining spot under a pergola right where the indoor and outdoor areas meet. Inside, the style stays simple and elegant, with classic Cycladic touches paired with darker, carefully chosen furniture. The layout is spread across separate units, so everyone can have their own space, while the shared areas are designed to bring people together and make the most of a summer stay.

According to the latest Greek Law Regulations, an extra climate change resilient fee of 15 € / villa / night that is not included in rental rate.
