An exquisitely designed modern villa in Vista Alegre

Located in the desirable urbanization of Vista Alegre, Villa Serenity is an exquisite contemporary villa featuring six spacious suites and stunning island views across the turquoise sea. With 24-hour security, this gated development is an ideal base for exploring nearby beaches such as Cala Jondal, Es Xarco, and Cala D'Hort.

Inside, the villa boasts stylish interiors of a classic contemporary design and polished finishes. The living room and modern kitchen open up directly onto the poolside terrace, creating an abundance of natural light that floods through the floor-to-ceiling sliding doors.

One of the most unique features of Villa Serenity is the indoor pool space, complete with a private treatment spa area and a relaxing chill-out zone.
Each bedroom is furnished to the highest standards, with a king-size bed and en-suite bathroom. The master suite offers a jacuzzi bathtub with uninterrupted panoramic views of the sparkling sea.
The Master bedroom along with bedrooms 2 & 3 are located on the top floor.
Bedroom 4 is located at the main entrance level and bedrooms 5 & 6 are located on the lower level. All the bedrooms are En-Suite.

Step out onto the elegantly decked terrace, where the contemporary chi style continues, and spend the day poolside with ample sun loungers and daybeds. An alfresco dining area offers the perfect place to entertain friends from sunrise to sundown. Villa Serenity is quite simply a minimalist paradise in one of Ibiza's most sought-after areas.

The gym also features technogym equipment, sonos an exterior bbq kitchen and secure off street parking for 4 cars.
