Chic & bohemian, exotic & natural home with modern features located in Roca Llisa

Dive into an authentic Ibizan experience

Chic & bohemian, exotic & natural. With its radiance of colors, our home will transcend each and all of your senses.

Enter a unique place, make it as it is yours and create unforgettable memories.

Villa Zola is a 5 bedroom uniquely styled villa situated in the sought after private gated residential area of Roca Llisa, close to Ibiza’s golf sprawling course. Set over several acres of land, this property offers a luxurious combination of bohemian chic and traditional design expertly combined with exotic and natural decor.

Inside the villa you cannot help but to be impressed and delighted by the vast open plan living and dining areas, naturally lit by huge sliding windows and offering various lounge levels, all decorated with eclectic and quality furnishings. The living area opens out onto the pool terrace thus creating even more open space and is of course, complete with a modern, fully equipped kitchen.

All 5 bedrooms have been elegantly decorated throughout with a contemporary boho design and striking soft furnishings, and have their own unique and charming style, making this a truly spectacular home.

Villa Zola's grounds and gardens are undoubtedly the centrepiece of the property, resplendent with double Balinese sun loungers, day beds and a harmonious rectangular swimming pool, all set in beautifully manicured gardens with an abundance of palm trees, an al fresco BBQ dining-area and outdoor chill out sofas spaces.

This property's exteriors really offer guests the chance to immerse themselves in tranquillity and provide a perfectly relaxing island retreat.
